Disqualification of Relay Teams and Individuals For Competing In Too Many Events

An athlete may compete in a total of four events. If an athlete competes in excess, all individual points, team points, and places earned by that competitor in the meet shall be forfeited and the competitor disqualified from further competition in that meet. If the competitor participated in a relay event, the relay(s) points and places

earned by the team shall be forfeited. A scratch after the 10:00 AM deadline on Thursday, May 9 counts as an event.

Notification of Disqualification

All disqualifications need to be communicated by the meet referee to the head coach. If a disqualification occurs, the head coach needs to be called to a designated area, as determined by the meet manager, to be notified of the disqualification by either the meet referee or his/her designee.

Distribution of Meet Results

Meet managers need to distribute a copy of results to all head coaches prior the participating schools leaving the meet site. All head coaches are expected to review the results for accuracy and to bring any errors to the attention of the meet manager. Having errors corrected the night of the meet makes determining the state qualifiers much easier and prevents placing the wrong individual or relay in the state track and field meet.
