When registering, individuals can register up to ten people at one time. If a coach would like to register more than 10 people, they can either do two different registrations or they can email me the names of those attending and I will get them added. For your reference, I've included screenshots of what the registration process looks like.

Note: It will ask whoever is registering to create a password. This is to secure their registration and make sure no one can delete them from the attending roster
